Make the Most of BWN this Year

Welcome back, BWN! September is the start of our new programming year, and we are excited to host our first luncheon at The Collective Encore – a beautiful, new lakefront venue.

Sadly, summer is coming to an end... but there is a lot to look forward to as you make connections with your BWN colleagues. As they say in Girl Scouts... "make new friends, but keep the old..." and we are thrilled to welcome 12 new members who have joined us this summer! Whether this is your first BWN event or your hundredth... we are looking forward to seeing you!

Maximize the Value of Your Membership

Even if you have been a BWN member for years, are you taking advantage of all this group has to offer? We are so much more than a networking channel, BWN is a place where passionate people come together to learn from and empower each other. We are here for you at all stages of your journey – from new graduates starting a first job, to seasoned professionals looking to connect and learn, and entrepreneurs who are eager to gain perspective and knowledge.
